

Activity Overview

The objective of this activity is to discover what makes someone an entrepreneur and share that knowledge in the classroom. Remember an entrepreneur is someone who solves problems for profit.

- > • After researching your entrepreneur, you will need to create a collage in Word.
 - Before you begin placing items on your collage you must change the paper size by clicking on the "Page Layout" tab, "Size", "Legal". You can choose Landscape or Portrait orientation.
- > Your collage should include but is not limited to:
 - Your entrepreneurs first and last name
 - 1 picture of the entrepreneur
 - At least 5 words to describe your entrepreneur
 - At least 5 photos to identify your entrepreneur's businesses and/or products
- > Name your collage; Last name, First name, Entrepreneurship Collage
- > Share your collage with me via Google
- > You will pitch about your entrepreneur for 3-5 minutes. This pitch is about knowledge sharing so be prepared to shared what you learned about your individual entrepreneur.
