

# DECADE OF ENTREPRENEURSHIP

## INSTRUCTIONS

In groups of two, pick a decade ranging from 1880 - 2010. No two groups can do the same decade.

Each group will research at least 5 entrepreneurs of the world that were prominent during those 10 years.

Research their products, services, and businesses. Were there any new products they invented, new services offered, or new businesses they started during that time? Describe what needs and wants the entrepreneurs fulfilled.

## REQUIRED

- > PowerPoint presentation:
  - 1 slide for each entrepreneur
  - The slide can include images, descriptions, facts, etc.
- > Pitch: 3 to 5 minutes. Both partners should participate in the pitch.
  - Remember to practice your pitch to check the timing and flow.
  - Extra credit will be given for dressing in the proper attire for the decade and/or bringing samples of your products and businesses.
